

Dear Ovum Donor Candidate,

I would like to thank you for your interest in becoming an Ovum Donor for a couple dreaming of having a family. Choices, LLC represents and guides you to help make this a rewarding experience for you. The couple that selected you as a donor will be responsible for all cost incurred during the Ovum Donor process in addition to a gift between \$6,000.00 - \$8,000.00.

We ask that you please take your time to review and complete this information packet. It is very important that you complete the questionnaire to the best of your knowledge with honesty and accuracy. If you have questions or concerns when filing this out please feel free to contact us. This packet is the only insight a couple will have about choosing the right candidate to help build their family.

Return the enclosed information packet, along with three photographs of yourself:

- 1 that clearly shows your facial features
- 1 that shows your full body
- 1 baby picture

These photographs are important during the selection process. Couples will be using this information to compare with their own family profile. Send the best photos you have available. You may email your photos to us or we can scan your original photographs and return them to you at the time of your interview.

Choices, LLC does not display photos or personal information on our website, only the intended parents that are screened and accepted as clients will be able to view your photos and information.

When we receive your information packet, we will review it and then contact you for a face-to-face interview. During this interview we will go over the questionnaire, contract, commitment, matching process and questions you might have.

**Please be sure to return the following:**

- Ovum Donor/Surrogate Questionnaire
- Ovum Donor Personal Information
- Ovum Donor Contract
- Copy of your driver license
- Three photographs

We hope to hear from you soon. Thank you again,

Choices LLC
